SAMPLE

01 Bruges, Belgium

Cobblestone streets, canal reflections, and church bells at dusk. Bruges moves at walking pace — the kind of place where getting lost is part of the plan. Come evening, the city glows in warm lamplight over quiet water.

WHY THIS FITS HER

You mentioned she loves slow mornings, good coffee, and old European streets over big-city energy. Bruges is built for exactly that pace — intimate, walkable, and quietly romantic rather than loud.

Sorrento, Italy

Cliffside views over the Bay of Naples, lemon groves, and long dinners that start late and end later. Sorrento trades cobblestones for coastline — a little more sun, a little more indulgence.
